

New White House Interns

Do you know that over 1,800 counseling/listening sessions occur each year as part of the counseling ministry of CHPC? Hurting people from both inside and outside the church reach out for healing and support as they allow God to bring his transforming power into past hurts and/or current struggles. The counseling center often referred to as the "White House" is a place of safety and refuge as individuals, couples and families meet with trained listeners and counselors. As part of the counseling ministry we are a training site for graduate counseling students to complete internships as part of their course requirements.

Cody Hanson was born and raised here in the Queen City. He grew up in Mason, where he met his wife and they have now been married for three years. He worked in clinical research for four years, starting at Cincinnati Children's Hospital and continuing on to CTI Clinical Research. He obtained a B.A. in psychology at the University of Cincinnati and is now pursuing a M.S. in Clinical Mental Health Counseling at Northern Kentucky University. Despite the perpetual disappointment, Cody is both a Reds and Bengals fan.

Right: Janice Sowell

Hazel Ross grew up in Cincinnati, but born in Cuba, Alabama. Hazel attended the University of Cincinnati, Miami and Xavier University. She retired as an elementary principal from the Mt. Healthy School System. She has been married to her husband for 42 year and they have 2 adult children.

My name is Janice Sowell. I am mother, teacher, student and grandmother. I received a Bachelor's of Art Degree in Human Services and Professional Counseling from Lindsey Wilson College. I have recently returned to Lindsey Wilson to obtain a Masters of Education Degree in Counseling and Human Development. As a Center Director for a pregnancy center I utilize skills such as listening, sensitivity, empathy, being none judgmental and open-minded, which are vital tools for a counselor. I have a strong desire to invest in the teenage population to help empower and equip them to be self-sufficient, confident and goal oriented for the future. I am looking forward to the experience I will gain in the next year at CHPC as I complete my counseling practicum and internship.

The Counseling Ministry continues to thrive with individuals, couples and families seeking emotional, mental and spiritual healing. The ministry provides an important role in people's spiritual growth and transformation as they work through the wounds of life.

Want to get involved? Feel the need to help out? Are you being called to serve?

Starting this week we will have a list of ministry partner opportunities in the community bulletin board on Mainstreet (hallway between atrium and fireside room). Some of these opportunities require more commitment/skill, others may be a one time task. There is something there for everyone! This information is also listed on the web at chpc.org/get-involved/partner-in-ministry

3rd SUNDAY of LENT

Activity for Small Groups & families with children

Lent is the 40 days prior to Easter that the Church focuses on learning about the life of Jesus Christ and preparing for Holy Week.

YOU WILL NEED: 7 candles and candle holders and a map of Israel. WHAT TO DO: Begin by lighting all 7 candles. Week 1, darken one. Week 2, darken one more, etc. Recite the meaning of each candle as it is extinguished. Listed in chronological order, each candle identifies: (a) A PLACE in Jesus' life; (2) A KEY EVENT in His life; and (3) A 'BETRAYAL' He experienced in connection with that event.

SAY: **This week we darken the 7th candle: EGYPT — Peril.** After Christ's birth in Bethlehem, the first step on His journey was to **flee to Egypt to escape death** at the hands of King Herod.

Then, the 6th candle: NAZARETH — Baptism. Jesus was baptized and went out to be tempted in the wilderness for 40 days. He returned to His home, Nazareth, and was **rejected by His own people.**

Today, we darken the 5th Candle: GALILEE — Discipling. Jesus' life and teaching attracted many. Four fishermen from Galilee were his first disciples — ordinary men who would cause him disappointments and trials.

ACTIVITY: Find Galilee on the map. Look up the lists of Disciples in each of the four Gospels and the book of Acts, i.e, Matt 10:1-4. Don't forget Paul. DISCUSS: Parents explain what the passage means in terms children understand. Which disciple are you most like? Share a time when someone disappoints you...or you disappointed a friend.

READ: Romans 8:38-39. What will separate you from God's love?
