

## The Church's Liturgical Year: Pentecost...Wear Red June 4

ON SUNDAY JUNE 4, CHRISTIAN CHURCHES AROUND THE WORLD WILL GATHER TO CELEBRATE PENTECOST. MOST NORTH AMERICAN CHRISTIANS HARDLY NOTICE PENTECOST BUT TRADITIONAL EUROPEAN CHURCHES CONSIDER IT A MAJOR FEAST DAY. PENTECOST IS JUST BEHIND EASTER IN OVERALL IMPORTANCE. DON'T MISS THE CELEBRATION.

Pentecost — the Birthday of the Christian Church — is a problem. For some it is finding it, for others it is believing it.

Imagine being invited to a birthday party and you have to guess when it will happen. To *find* Pentecost, the challenge is where to start. When I was a child, my Jewish neighbor Mrs Bilski had no problem finding out when Pentecost would be celebrated. She knew that Pentecost or the Festival of Weeks was "a week of weeks" (or 50 days) after Passover. Her house had two calendars — her 'American one' and one with funny writing. Always a curious kid, I asked her why they were different? She patiently explained how different they were.

Mrs Bilski's Jewish lunar calendar is based on Creation of the World that is said to have occurred around 3760 BC. The Jewish or the Days of the World calendar has anywhere from 353 to 385 days, and 12 months, 13 in a leap year. Months have 29 or 30 days. Each day begins at sundown, and the Sabbath begins on the last or seventh day of the week. The moon and its phases are the timepiece of the months, and the seasons and its God-ordained festivals and religious observances are vital to rhythm of life and a focus on God.

By contrast, Mrs Bilski's 'American Calendar' [whether she realized it or not] was the 16th Century Christian Church's liturgical calendar named after Pope Gregory XIII. The Gregorian calendar was based on one by employed by Julius Caesar (45 BC) throughout the Roman Empire. Both used the rotation of the sun and the earth. Thus, the year begins when the earth is farthest from the sun. Pope Gregory's added liturgical emphasis on Christ's birth (BC before Christ; AD in the year of our Lord). The week begins with Sunday as a reminder of Christ's resurrection on Easter Sunday. The day begins at mid-night, halfway between sunset and sunrise when God changed all of time by raising Christ from the dead on the 3rd day. Solar and lunar calendars don't align, which makes Passover, Easter and Pentecost a challenge to find.

There are two other major calendar that believers ought to be aware of: the Islamic & Chinese ones. The Islamic one is based on the emigration (or Hijra) of the Prophet Muhammad and his fellow Muslims from Mecca to Medina. The Hijra took place in 622 AD by God's commanded in the Koran. It is a solar calendar, Arabic, for Muslim practice and holy days (not Biblical). The Chinese calendar is an agricultural calendar based on the lunar cycle but with some solar addition. Its

years, months, and days are named based upon the Chinese system of the heavenly stems and earthly branches, i.e. the year of the dog/monkey/etc. Trained astrologists use such Zodiac calendars to predict 'auspicious' dates and times for life activities...a practice forbidden by Scripture.

The bottom line is that Pentecost is celebrated by **Christians** on Sun, 4 June 2017; and **Jews** on May 31, 2017. It is largely ignored by **Muslims** and the **Chinese**. Yet, the miracle of Pentecost continues. Through the power of God's Holy Spirit, the whole world is being transformed and redeemed, all of the time.

**NOT BELIEVE IN PENTECOST?** unbelief affects those inside and outside the Church. Some choose to believe only things that can be sensed and rationally explained. 'Miracles' are edited out of their thinking and lives. Christ's earthly miracles, His resurrection, and ascension... gone. They have even less explanation for transforming affects of God pouring out His Holy Spirit on the disorganized, disheartened and dismayed Disciples [I've been there] *out of His love and for His Glory.*

In the Old Testament God anoints people with His Spirit *one at a time*. Jesus told of a new time in Act 1:8. On Pentecost God does a 'Berlitz moment' for 3000 people from diverse nations and tribes. In one instant, His Holy Spirit floods forth and begins to fulfill a 500 year old prophecy (Joel 28:29): *'And in the last days it shall be, God declares, that I will pour out my Spirit upon all flesh, and your sons and your daughters shall prophesy, and your young men shall see visions, and your old men shall dream dreams; yea, and on my menservants and my maidservants in those days I will pour out my Spirit; and they shall prophesy.—Acts 2:17-18*

**THE QUESTION FOR THIS AND EVERY PENTECOST** is have we missed the most important Party Invitation in all eternity? (1) Do we know Jesus as our Savior and have God's Holy Spirit within us, and (2) do we live porous lives that allow the Holy Spirit to regularly leak or surge out? This Pentecost gather to Celebrate the Birthday of the Church. Pray for 'leaky lives' that God will use to spread the Gospel to reach all peoples, nations and tribes — for God the Father's Joy, Honor and Glory.

## CHILDREN YOUTH & FAMILIES SUMMER INTERNS

One of the ways that CHPC is committed to raising up the next generation of Christian leaders is by hiring college and high school age students as summer interns to work with kids and youth at our church and in the College Hill community. Our hope for this summer is that all of our children and youth take a step forward in their faith, and that many new families experience the love of God by getting connected

into our church community. There are three different tracks for the 2017 Summer Internship. *Focus 1 Interns* will build relationships with kids in grades K-6 at Christ's Community Camp at Pleasant Hill Elementary, at Resident Camp and Overnight Camp, in Children & Worship, and at weekly MegaBlast youth group meetings. Here are our 2017 *Focus 1 Interns* (stay tuned next week for Focus 2 and 3!):

**KAYLA WILEY** is a rising first semester junior at Cincinnati Christian University, studying Psychology focusing on Counseling. FACT about Kayla is that last year she wrote and directed a play called "When you surrender all". She hopes she sees God differently this summer and helps the kids here be baptized and be followers of Jesus Christ.

**MOLLY BROWN** is a rising sophomore at Ohio University studying Music therapy. FACT about her is that she can play seven instruments. One hope that she has for the summer is that she is able to build strong relationships with the kids.

**AARON BROWN** is a rising first semester junior at the University of Dayton studying Communication Management with a minor in Marketing, and concentration of Philosophy. FACT about Aaron is that he has appeared in two commercials that have aired on television. He hopes to bring kids, as well as himself closer to God while the summer progresses.

**SIMONE WILLIAMS** will finish her BA degree in Christian Education and Psychology from Cedarville U at the end of the summer. FACT about Simone is that she collects frog stuffed animals and figurines and has about 80 of them. This summer she hopes to develop her leadership skills among the interns and further her discipleship skills among the children she ministers to.

**LIZ SNYDER** is a rising sophomore at Miami University, studying Early Childhood Education and Special Education. FACT about Liz is that she is adopted. A prayer for this summer is that God works through her to speak Truth to the kids she will be working with and that her relationship gets stronger with Christ.
