

Hot Off the Press! 5/31/15

Special Guest This Morning

Today, Pastor Dennis Hall will share the pulpit with Pastor Drew as part of the discernment process for a new Assistant Pastor. At the Dessert and Discussion in April, the Staff Support Team informed us that they had initiated a new search for an AP. In ECO, we have much more freedom to look for ordained leadership without the lengthy methods of former years. Last Sunday, the Staff Support Team updated us about the next step of having Dennis preach with Drew. If you have any feedback, questions, or concerns about this discernment process please talk with any elder currently serving on the session listed below: Rob Bechtel, Eileen Boyle, Joe Brooks, Fran Kelley, Cathy Lowe, Janet Dumford, Mike Enderly, Mark Evans, Mark Klusmeier, Barb Rosen, Brenda Clark, Tom Dryer, Jerry Dwyer, Penny Sauer and Matthew Wilbur.

Spend a Little and Save a Lot

Receive \$1 for Every \$1 You Spend on fruits and vegetables when you shop with your Ohio Direction Card at participating farmers' markets.

Participating markets include: Northside Farmers Market, Lettuce Eat Well Farmers Market, **College Hill Farmers Market**, Loveland Farmers Market, Wyoming Farmers Market, and Findlay Market, Findlay Market Farmstand @ Price Hill, Findlay Market Farmstand @Walnut Hills, Findlay Market Farmstand @Westwood. The program will run May 1, 2015 - April 30, 2016.

Produce Perks are incentive tokens given to customers at participating farmers' markets who use an Ohio Direction Card ("electronic benefits transfer" or EBT card) to purchase food. A customer wishing to use their food assistance benefits can swipe their card at one central terminal, located at participating market's information booths, and ask to withdraw a desired amount. The market provides tokens for the transaction and additional Produce Perks that can be spent on fruits and vegetables. The incentive is a dollar-for-dollar match to every dollar spent (up to \$10) using an Ohio Direction Card at the market. There is no minimum purchase amount to qualify for the incentives and Produce Perks tokens are usable at all nine participating markets. As the name suggests, Produce Perks are only good for purchasing fruits and vegetables. All other tokens purchased with the Ohio Direction Card are good to use on eligible items at the market.

The Produce Perks program increases affordability and accessibility to healthful foods for low-income populations. Furthermore, the program supports local economies and will seek to expand throughout the county and across the state in the future.

It's simple, fill your plate to take a BITE out of Poverty this Summer! Participating Restaurants will donate a portion of their sales to benefit CityLink and our Resident Partners: ChangingGears, SmartMoney, Per Scholas, Catholic Charities, Cincinnati Works and Cincinnati Public Schools.

Check out the list and make plans to visit these restaurants on their participation date(s) to fill your belly and your warm your heart!
