Healthy Spirit Healthy Mind and Healthy Body

Thanks to all who participated in the fresh fruit feast during May. Many of you have commented with appreciation the healthy provision. Children's ministry leaders have shared that the sugar high and then subsequent drop has been reduced. They are very thankful. We will be continuing the fruit feast and adding a selection of sweet breads and muffins for those who "need" their sugar in a different form. Cheese will also be offered on a limited basis. Please encourage all to limit the portions on the breads and cheese so that all can have at least a serving. Keep on praying that Sunday morning will continue to be a celebration of a healthy spirit, mind and body.

Welcome to the New Counseling & Care Interns

The Counseling Ministry continues to thrive with individuals, couples and families seeking emotional, mental and spiritual healing. The center is blessed to have lay listeners, graduate counseling student interns and professional counselors walking with people through life's challenges. The ministry provides an important role in people's spiritual growth and transformation as they work through the wounds of life.

Destiny Howard studied Sociology at Xavier University completing a Bachelor of Arts. She furthered her studies at the University of Cincinnati earning a Master of Arts degree in Sociology as well. Nearly ten years later, in response to a call from the Lord, Destiny returned to school to complete a Master of Education in Counseling and Human Development through Lindsey Wilson College. Destiny looks forward to fulfilling

God's purpose and plan for her life.

Jeremy Jordan is a 3rd year graduate student at Cincinnati Christian University, where he also serves as the Hall Coordinator for Men. He spends a significant amount of time interacting with college students, and greatly enjoys their company. He also spends a fair amount of time working with high school and college level marching bands, where he serves as a percussion consultant. He is newly married, and very excitedly awaits the company of a daughter this upcoming fall.

My name is Arlinda Blankumsee. I am a United States Air Force, mental health veteran. Currently, I attend Lindsey Wilson University Graduate Counseling program working toward becoming a Licensed Professional Counselor. I received a Bachelor of Science from Lindsey Wilson as well, specializing in Human Service and Counseling. I am a family oriented individual that possesses a natural love for the earth. I enjoy interacting with people and watching God transform lives.

**Keira
13 YEARS OLD**

Keira likes hanging out at the mall and shopping for new outfits – perhaps because of her desire to build a future career as a fashion designer."

Keira says she enjoys playing basketball and likes to relax by watching TV. She also enjoys listening to music.

Keira is pretty smart and proud of her ability to spell. She does well in school and plans to keep studying all the way through nursing school. Keira says she likes things to be clean and neat and doesn't play around when it's time to get chores done. She also is an animal lover, so a family with a cat or dog would be nice as well.

To get to know Keira better, call Sonya Lary at Hamilton County JFS 513-946-1099.

Mark your calendars our next hosting week begins Sunday August 9.
