Children, Youth and Family Summer Interns!

Did you know that we have 11 college and high school interns working with our kids and youth this summer? In addition to helping with summer events like MEGABLAST, CRASH, Sunday morning BLAST, and Resident Camp, the college interns have already been busy building relationships with kids in our community by working at the Christ's Community Camp at Pleasant Hill Academy, and the high school interns will be connecting with even more kids by being a part of the Swim Ministry Teaching Staff. Our hope for the summer is that all of our children and youth take a step forward in their faith, and that we have many new children and their families experience the love of God, and we can't wait to see how God will work in and through our interns to accomplish this!

Here's a quick introduction to who our summer interns are:

College Students pictured left to right:

Colleen Sauer, Empress Minnifield, Jon Baker, Brooklee Boots and Simone Williams

Colleen Sauer is entering her sophomore year at The Ohio State University, with a major in Marketing. She is a twin! This summer she's really looking forward to Resident Camp.

Empress Minnifield is entering her sophomore year at Cincinnati Christian University, with a major in Education. She is the shortest person on her college campus. This summer she's looking forward to getting to know the kids and the s'mores at camp.

Jon Baker is entering his senior year at Asbury University, with a major in Christian Ministries and Education. He is one of five kids in his family and also the middle child, though he claims he does not have "middle child syndrome." This summer he's looking forward to building relationships with staff and kids, impacting lives for the kingdom, and finding clarity and his place in God's will and calling on his life.

Brooklee Boots is entering her sophomore year at the University of Louisville, with a major in Social Work. She has rescued two fawns (baby deer) in the past. This summer she is really looking forward to building relationships.

Simone Williams is entering her junior year at Cedarville University, with a major in Christian Education. She collects frogs (stuffed animals, figurines, etc). This summer she's looking forward to seeing the fruit of her labor and having more discernment about her future.

High School Students pictured left to right below:
Kendra Russell, Jacob Russell, Nathaniel Andrew Smith, Joyce Mayambi (not pictured Jubilee Chen and Nathan Lowe.)

Kendra Russell is entering her junior year at Princeton High School. She loves rock climbing. She is looking forward to the little (or big) things that God shows her through all of the activities this summer.

Jacob Russell is entering his freshman year at Ohio Northern University, with a major in Mechanical Engineering. It takes a mint 2 minutes and 42 seconds to melt in his mouth. This summer he is looking forward to pouring into the lives of the kids he will be working with.

Nathaniel Andrew Smith, Ya Boi, The One & Only, God's Child, Leader of the A7N is entering his senior! year at Walnut Hills High School. He can jump over his own foot, sometimes, and he plays rugby. This summer he is looking forward to Resident Camp and having fun with all the kids!

Joyce Mayambi is entering her junior year at Aiken. She can twist her shoulders and elbows inside out. This summer she is looking forward to learning and teaching something new.

Jubilee Chen is entering her senior! year at PEP: a program for homeschoolers with slightly better social skills. She can run from the elevator to the Finance Department of the church in 4.45 seconds (Nathaniel Andrew Smith, Ya Boi, The One & Only, God's Child, Leader of the A7N can verify). This summer she's looking forward to working with a team of people crazy about God to help kids become crazy about God!!

Nathan Lowe is entering his freshman year at Indiana University. He is the only one tall enough to reach the projector button in the BLAST Zone without jumping. This summer he is looking forward to Resident Camp, Swim Ministry, and hanging out with kids.
