

An Unlikely Pair of Worshippers

by Helen Brooks

I remember singing as a young girl in church accompanied by my grandmother on the piano or organ. From there, I performed in school and church productions well into my adult life. In my twenties, my mother encouraged me to present Sandy Patty's song, We Shall Behold Him in church in American Sign Language and liturgical expression and that sparked my interest in liturgical expression and praise dance. I along with my husband Joseph have led Anointed Vessels since 2003, although the adult team does not always present worship at CHPC, the praise team comes together at other churches and venues outside CHPC.

Alexis Wilsey and Helen Brooks

Alexis Wilsey has been dancing since she was 4 years old and has studied many types of dance with lyrical as her favorite. She is very passionate about dance as a form of worship and loves to share that passion with the kids of the group Jesus University. Alexis is currently studying Neurobiology at the University of Cincinnati and plans to continue on to medical school when she graduates. Outside of school Alexis works as an academic coach, teaching students at UC skills such as note-taking and can also be found baking and reading mystery novels.

Alexis was an answered prayer for Joseph and I. We are both extremely busy in other ministries inside CHPC and outside in the community, and so I asked the Lord for help. Some came, however, they had other commitments and eventually moved on. Alexis is a breath of fresh air; she is very passionate and energy driven. God knew exactly what I needed to take the young team to the next level. We both believe in pouring the word of God into the children. We provide snacks and bible study during our time with the children. Together, we plan to continue to spearhead our team as part of the worship ministry here at CHPC. We practice most Saturdays from 2pm to 4pm here at the church.

Recently, the team presented worship dance at the Block Party. The kids were both excited and a little nervous but did great. We are open to other kids joining, inside the church and outside in the community, as we get ready for the holiday season. We welcome boys and girls ages 5 to 15, after that age they are welcome to join Anointed Vessels, a more advanced team. Everyone is expected to come and be ready to dance. We do have an expectation that parents know their children are at practice and in a safe environment, and will be asked to leave if they are disruptive.

SERVING THE WORLD LIKE JESUS

River Valley Church, a new ECO congregation in Northern Kentucky, needs one adult to facilitate their children's class on Sunday's from 4 pm to 5 pm. They have all the curriculum and materials but need a loving adult (or group of them) to help secure their fledgling ministry. Questions? Email Pastor Drew at dsmith@chpc.org. What a great way to be a church without walls.

SPECIAL SERVICE TIME

Milestone Sunday - August 30th.

Our entire church will celebrate in one service, kids making key transitions in their childhood. We will specifically recognize incoming kindergarteners, 4th graders, 7th graders, and 10th graders and will challenge them to grow in new areas of their faith. Each student entering these milestone grades will be given tools to help them along their way. Then immediately following the service there will be a reception in the Fireside Room to honor Janis McLemore's 10+ years of service and wish her well in her retirement.
