regeneration

Last Fall, the Congregation submitted pledges toward the Regeneration Capital Stewardship Campaign. The purpose of this effort is to prepare our facilities for the next generation of ministry.

Right away, funds were received that have enabled the church to replace worn-out equipment, initiate much-needed repairs, and begin the planning process for future upgrades.

Shown here are some projects in various stages of completion.

The generous support of the Regeneration program by the Congregation is greatly appreciated. We are committed to continuing projects over the next three years as funds are received to pay for the work. So, your continued support is vital to the successful completion of the program.

If you are not currently participating in the Regeneration campaign, we encourage you to consider partnering with us in this endeavor. Commitments to sacrificial giving (above normal tithes and offerings) have made this possible. Contact Heather Lethander (Director of Finance), Pastor Drew, Chris Dumford, or Jinda Bowerman for information on how to participate.

Thank you again for your generous support.

A Note from Keenan

I'd like to thank each and every person at CHPC for their hospitality, prayers and words of encouragement felt from the first moment I visited the church up until even now.

I sincerely apologize to my CHPC family for any feelings of deceit, embarrassment or lack of trust I've caused by my wrong actions. With the help of God and God's people, I am working through my sin. Please keep myself and the others involved in this incident in your prayers and rest assured God is in control. God bless each of you. I love you and may His grace and mercy continue to shine upon you!
