## The Church's Liturgical Year: Pentecost

ON SUNDAY MAY 15, CHRISTIAN CHURCHES AROUND THE WORLD WILL GATHER TO CELEBRATE PENTECOST. MOST NORTH AMERICAN CHRISTIANS HARDLY NOTICE PENTECOST BUT TRADITIONAL EUROPEAN CHURCHES CONSIDER IT A MAJOR FEAST DAY. PENTECOST IS JUST BEHIND EASTER IN OVERALL IMPORTANCE. DON'T MISS THE CELEBRATION.

Pentecost — *the Birthday of the Christian Church* — is a problem. For some it is finding it, for others it is believing it.

Imagine being invited to a birthday party and you have to guess when it will happen. To *find* Pentecost, the challenge is where to start. When I was a child, my Jewish neighbor Mrs. Bilski had no problem finding out when Pentecost would be celebrated. She knew that Pentecost or the Festival of Weeks was "a week of weeks" (or 50 days) after Passover. Her house had two calendars - her 'American one' and one with funny writing. Always a curious kid, I asked her why they were different? She patiently explained how different they were.

Mrs. Bilski's Jewish/Hebrew lunar calendar is based on Creation of the World that is said to have occurred around 3760 BC. The Jewish or the *Days of the World* calendar has anywhere from 353 to 385 days, and 12 months, 13 in a leap year. Months have 29 or 30 days. Each day begins at sundown, and the Sabbath begins on the last or seventh day of the week. The moon and its phases are the timepiece of the months, and the seasons and its God-ordained festivals and religious observances are vital to rhythm of life and a focus on God.

By contrast, Mr. Bilski's 'American Calendar' [whether she realized it or not] was the 16th Century Christian Church's liturgical calendar named after Pope Gregory XIII. The Gregorian calendar was based on one employed by Julius Caesar (45 BC) throughout the Roman Empire. Both referenced the rotation of the sun and the earth. Thus, the year begins when the earth is farthest from the sun. Pope Gregory's added liturgical emphasis on Christ's birth (BC Before Christ; AD *Anno Domini*, in the year of our Lord). The week begins with Sunday as a reminder of Christ's resurrection on Easter Sunday. The day begins at midnight, halfway between sunset and sunrise when God changed all of time by raising Christ from the dead on the 3rd day. Solar and lunar calendars don't align, which makes Passover, Easter and Pentecost a challenge to find.

There are two other major calendars that believers ought to be aware of: the Islamic & Chinese ones. **The Islamic one** is based on the emigration (or Hijra) of the Prophet Muhammad and his fellow Muslims from Mecca to Medina. The Hijra took place in 622 AD as recorded in the Koran. It is a solar calendar in Arabic for Muslim practice and holy days (not Biblical). **The Chinese calendar** is an agricultural calendar based on the lunar cycle but with some solar addition. Its

years, months, and days are named based upon the Chinese system of the heavenly stems and earthly branches, i.e. the year of the dog/monkey/etc. Trained astrologists use such Zodiac calendars to predict 'auspicious' dates and times for life activities (business deals, weddings, births, times to plant). Trusting astrology is forbidden by Scripture.

**The bottom line** is that Pentecost is celebrated by **Christians** on Sunday, 15 May 2016; and **Jews** on the 7th of Iyyar, 5776AM (*Anno Mundi* in the year of the world). It is largely ignored by **Muslims** on Sunday, 8 Sha'baan 1437 AH (*After Hijra*) and the **Chinese** on Gui-Si (Snake) 4th month, 9th day, 4714 of the year of the Monkey. Yet, the miracle of Pentecost continues - transforming the whole world through the power of the Holy Spirit all of time.

**NOT BELIEVING PENTECOST...** Unbelief affects those inside and outside the Church. Some choose to believe only things that can be sensed and rationally explained. 'Miracles' are edited out of their thinking and lives. Christ's earthly miracles, His resurrection, and ascension are gone. They have even less explanation for the transforming effects of God pouring out His Holy Spirit on the disorganized, disheartened and dismayed Disciples [I've been there] out of His love and for His Glory.

In the Old Testament God anoints people with His Spirit *one at a time*. Jesus told of a new time in Acts 1:8. On Pentecost God does a 'Berlitz' moment for 3000 people from diverse nations and tribes. In one instant, His Holy Spirit floods forth and begins to fulfill a 500 year old prophecy (Joel 28:29): *'And in the last days it shall be, God declares, that I will pour out my Spirit upon all flesh, and your sons and your daughters shall prophesy,*

*and your young men shall see visions, and your old men shall dream dreams; yea, and on my menservants and my maidservants in those days I will pour out my Spirit; and they shall prophesy.* - Acts 2:17-18

**THIS AND EVERY PENTECOST RAISES THE QUESTION** Have we missed the most important Party Invitation in all eternity? (1) Do we know Jesus as our Savior and have God's Holy Spirit within us, and (2) do we live porous lives that allow the Holy Spirit to regularly leak or surge out? This Pentecost gather to Celebrate the Birthday of the Church. Pray for 'leaky lives' that God will use to spread the Gospel to reach all peoples and tribes — for God the Father's Joy, Honor and Glory.
